## HAPPY HALLOWEEN TO ALL

We seem to be a little short of news and pictures this month, so this issue will be a little on the teeny side. I could tell you all about my trip to Oklahoma and Arkansas, but I'll spare you those details. I do extend my heartfelt thanks to Cindy for once again ably taking charge of the rehearsals while I was gone.

Smile—It's the second best thing you can do with your lips!

Ever stop to think, and forget to start again?

Last month's mystery member: Carolyn Yeates

### Mystery Member

**Our mystery member** this month states:

"I was born in Newburgh, New York, and returned from the hospital to a home my father and his best friend built together. My family really considers Ohio our family seat, though, because both of my parents are from Columbus.

"I completed my undergrad work at Colorado State University where I majored in Art and chasing boys-not necessarily in that order.

"I have a wonderful husband and son, and a million animals. After settling in California, I got my Masters at the University of LaVerne.

"I have had many occupations, including, but not limited to: researcher for a law firm, display artist, sales, men's clothing buyer, teacher, tapestry painter and more.

"Other than singing, my favorite hobby is reading."
