READY FOR OUR COACHING SESSION??

We are looking forward with excitement and maybe a little trepidation to our June 12th coaching session with Sylvia Alsbury. The songs we will be working on are "Bandstand in Central Park" and "Sunny Side Up." Please review your music and your learning tape/CD to make sure you are absolutely note-perfect.

Ann tells us that her garage is not nearly full enough yet for the upcoming garage sale. Please continue to gather your items and make arrangements to get them to Ann.

We are happy to have Carolyn Yeates back singing with us again and we also welcome Shirley Stokholm

back from her 7 week European trip.

What a warm night it was at rehearsal on May 15th. Thanks for working hard, even though it was a bit of a sauna inside.

I'm using a couple of pictures that PHC sent us from

Our fun time there with them in January.

Last month's mystery member: Gill O'Malley

Our mystery member this month was born in Baton Rouge, Louisiana.

Her life's work has been in teaching and in social work. She graduated from Columbia Bible College in South Carolina, then received a Master's degree in education from the University of Alabama. From there she earned a Master's degree in American History from the

University of North Carolina. After becoming a social worker, she earned her third Master's Degree from the University of South Carolina. However, she says all those degrees don't help her singing!

Other than singing, her favorite hobbies are reading and gardening. She has been a member of the chorus since 1990 and has

sung tenor, lead, and bari. She's also been known to fill in on bass on occasion.

In addition to her husband, she has three sons and one daughter and she likes cats.
